

DOWNTOWN DEVELOPMENT AUTHORITY

The Downtown Development Authority works closely with business owners to maximize their investment in their buildings with our Facade Improvement Program. The DDA also looks to enhance opportunities for mixed-use buildings, taking advantage of programs like the MSHDA's Rental Rehab. Downtown Escanaba is listed on the National Register of Historic Places and Escanaba is the only Upper Peninsula city to be recognized as a Certified Redevelopment Ready Community into the MEDC's Redevelopment Ready Communities program.

The combination of our natural beauty, vibrant arts community, and expansive downtown district offer an attractive area for working and living.
