

RECREATIONAL NON-MOTORIZED PATHWAY & TRAIL

The Recreation Department offers the public a year-round trail system with trail heads located of North 30th Street & 19th Avenue North that can be used for a variety of non-motorized activities. Depending on the weather, this trail system of about 6.6 miles of various loops can be used for cross-country skiing and snow shoeing in the winter months, and biking, walking, or running in the summer months. The ski pathway will be groomed if snow conditions permit. Non-motorized trail sign and trail markers have been posted.

Approximately 5.1 miles of the trails can be used for snow shoeing. Snow shoes are available for free at the Catherine Bonifas Civic Center, 225 North 21st Street, made possible by through a grant from Public Health of Menominee & Delta Counties.

For more information contact the Recreation Department, 225 North 21st Street 786-4141.

The City of Escanaba will initiate active patrolling and will fully prosecute anyone found vandalizing and/or illegally dumping refuse at the site. The public is encouraged to report any type of illegal activity at the trail system to the Department of Public Safety, 1900 3rd Avenue North (786-5911).
