Capital additions for 2017-2018, listed on the attached sheet, are not treated as expenses in this fund, but are capitalized and expensed by a charge to depreciation expense. This fund will not appear in the General Appropriations Ordinance, as it considered an Internal Service Fund. The revenues which are shown above result from charges to other funds for the use of this equipment. As a result, including this fund in the General Appropriations Ordinance would result in the overstatement of both revenues and expenditures.
