

Downtown Development Authority

The Downtown Development Authority offers great incentives, like the façade improvement program and a cooperative advertising campaign. The City of Escanaba and the Downtown Development Authority are working to preserve and revitalize historic downtown Escanaba to provide opportunities for those seeking a healthy, beautiful and economically sound district for starting or expanding a business. The combination of our natural beauty, vibrant arts community and expansive downtown district offer an attractive area for working and living.

The Downtown Development Authority office is located at 1025 Ludington Street. Contact number is 789-8696. Website is www.escanabadda.org.
