

Snow Shoeing

The snowshoeing trail is a marked 1.6 mile trail that starts on the right of the ski trail at North 30th Street about 100 feet from the parking lot. This is a single track trail that goes in a northerly direction to the pines. This trail is also marked with blue diamonds to help navigate through the trail system. Snowshoeing equipment is available at the Civic Center, 225 North 21st Street for those who want to participate in this winter activity.
