

Street Occupancy and Excavation Permit

A permit is needed for a \$10 fee if you are doing curb removal, new driveway, curb replacement, sidewalk construction removal or replacement, storage of materials and/or equipment on the street or City right-of-way, or excavation for underground utilities or structure. A permit can be obtained at City Hall, second floor, 410 Ludington Street. Hours of operation at Monday through Friday 7:30 a.m. to 4:00 p.m.
