

Welcome Service

The Nicolet Welcome Service is available for newcomers and newborns to the Upper Peninsula. Whether a family is moving to be near family, to start a new job, or retire, relocating to a new area can be very stressful. A new baby can also bring many changes to family life. The welcome representatives are eager to help both new residents and new parents adjust to their new environments. Contact information: 1-800-513-1350. www.nicoletwelcome.com.
